Wolf, Naomi. ***The Beauty Myth How Images of Beauty Are Used Against Women.***
Exposes today's unrealistic standards of female beauty as a destructive form of social control and a reaction against women's increasing status in business and politics.

Wray Matt & Nevitz Analee. ***White Trash: Race and Class in America.***

White Trash situates the study of poor whites within the context of several academic disciplines, public-policy analysis, and popular or mass-media representations. Arguing that white racism is directed not only against people of color but also against certain groups of whites, the contributors to this volume explore the ways in which race and class in America are often talked about and represented in hidden, coded, or half-realized ways. In so doing, they demonstrate why the term white trash itself embodies yet another way in which some whites generate a debased "other" through pejorative naming practices.

Wu, Frank H. ***Yellow: Race in America Beyond Black and White***

This book examines the current state of civil rights in the U.S. through the unique experiences of Asian Americans.

Zinn, Howard. ***"A People's History Of The United States 1492-Present"***
